10 July 2025

To Whom It May Concern

This letter serves to confirm that Mendoza Investments carried out renovation work at the Museum of Namibian Music, located at Omuthiya Cultural Centre, in the Oshikoto region, in 2019.

Their work included Demolition and alterations, Earthworks, Paintwork, Joinery work, ceiling and Partitions, and Ironmongery, and was completed in a professional and timely manner. The company demonstrated a commendable level of workmanship and adhered to the agreed schedule throughout the process.

We were satisfied with the quality of their services and would recommend them for other projects.
